

METRO•READERS

As ready as you are, the **Metro Collection** is waiting to make your early morning commute or that quick look at your email a real pleasure. They are sophisticated and stylish with a splash of bright color on a black frame. They feature optical quality, aspherical lenses, and spring hinges for comfortable, crystal clear reading. Appealing to guys and girls, they are paired up with a matching two-tone leatherette case, to complete this neat little "on the go" package.
