

# Wildlife

A bit risky? Sure, there's a little "Wild" in all of us, so go on and show off your inner tiger. Or leopard. Or even zebra!

Have some fun slinking through your own personal jungle in our animal pattern **Wildlife Readers**. They come in a variety of colors, patterns, and powers. The lenses are optically correct and the frames match the protective metal case.

**#8800 - 30 PC PREPACK**

**\$105.00**

Includes 30 assorted readers with animal prints on both readers and matching cases (5 colors / 10 assorted powers).

This item is shipped preloaded in a complimentary countertop display.
