

Bianca Gold®

POLARIZED

Our **Bianca Gold Polarized** Sunglass Collection is an upscale sunglass line that uses high quality frames fitted with the remarkable 1.0 TAC polarized lenses. The various frames are inlaid with elegant articles of design in gold and silver tones along with sparkling rhinestones. The Bianca Gold Polarized Collection features upper echelon design and some of the best frame, lens and accent combinations that money can buy. Bianca Gold Polarized Sunglasses are sure to please even the most discriminating buyer. Many of our sunglass styles are available by specific frame and lens colors, so you may individualize your selections according to your customer. All Bianca Gold sunglasses provide maximum ultra violet protection and impact resistant lenses. All Bianca Gold sunglasses are packaged in soft, black drawstring pouch protecting your investment.
